IN-DISTRICT refers to the service area of the college. For most community colleges that is their home county; Atlantic Cape includes Atlantic and Cape May, Brookdale serves Monmouth, and Raritan Valley serves Hunterdon and Somerset counties.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

IN-STATE refers to parts of the state outside the service area of the college.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

IN-STATE refers to parts of the state outside the service area of the college.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

IN-STATE refers to parts of the state outside the service area of the college.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

IN-STATE refers to parts of the state outside the service area of the college.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

IN-STATE refers to parts of the state outside the service area of the college.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

ANNUAL for full-time is defined here as 32 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 32 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average. Thomas Edison was not included in the averages since its rate structure differs from other institutions.

IN-DISTRICT refers to the service area of the college. For most community colleges that is their home county; Atlantic Cape includes Atlantic and Cape May, Brookdale serves Monmouth, and Raritan Valley serves Hunterdon and Somerset counties.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

ANNUAL for full-time is defined here as 32 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 32 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average. Thomas Edison was not included in the averages since its rate structure differs from other institutions.

ANNUAL for full-time is defined here as 24 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 32 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average. Thomas Edison was not included in the averages since its rate structure differs from other institutions.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure. \* Strayer charges per course, so their data is adjusted to approximate credit hours.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

ANNUAL for full-time is defined here as 32 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 32 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average. Thomas Edison was not included in the averages since its rate structure differs from other institutions.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure. \* Strayer charges per course, so their data is adjusted to approximate credit hours. Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

IN-STATE refers to parts of the state outside the service area of the college.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

IPEDS Form #14 was not submitted, data from the federal Institutional Profile Survey was used in its place for these schools.

IN-DISTRICT refers to the service area of the college. For most community colleges that is their home county; Atlantic Cape includes Atlantic and Cape May, Brookdale serves Monmouth, and Raritan Valley serves Hunterdon and Somerset counties.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

ANNUAL for full-time is defined here as 24 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 32 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average. Thomas Edison was not included in the averages since its rate structure differs from other institutions.

IN-STATE refers to parts of the state outside the service area of the college.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

IN-DISTRICT refers to the service area of the college. For most community colleges that is their home county; Atlantic Cape includes Atlantic and Cape May, Brookdale serves Monmouth, and Raritan Valley serves Hunterdon and Somerset counties.

ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.

ANNUAL for full-time is defined here as 24 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 32 or 12 to derive the annual figure.

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average. Thomas Edison was not included in the averages since its rate structure differs from other institutions.
